

Reconnect & Recover through Strong Leadership

As we move on from 18 months of disruption and uncertainty we need to focus, take control and look towards the future. Some people can lead, many others just follow.

Be a leader in your business, community, sporting club or not-for-profit organisation and take part in these 5 free online sessions to develop or enhance your leadership skills.

There is no criteria to meet to participate but you do need to be enthusiastic, prepared to get involved and to share your experiences. All sessions will be delivered online via Zoom.
