

Leadership Wyndham 2024

Committee
for
Wyndham
inc.

Do you see yourself as a future leader, or are you looking to improve your leadership skills and knowledge? **Leadership Wyndham 2024** is a 5 session program aiming to empower Wyndham's workforce, residents, community leaders and individuals willing to play an active role in shaping Wyndham's future, while gaining some micro-credentials along the way.

There is no cost to attend any or all of the sessions, but you do need to be enthusiastic, prepared to get involved in discussions and to share your experiences.

Facilitator **Martin Probst from PROfound Leadership** is an award-winning Learning Professional who helps managers and team leaders to empower themselves with skills of the future, so they can lead with confidence. Importantly he is a Wyndham resident so he understands our community, knows what it means to work in a pressured environment and the importance of becoming the best at what you do.
